

35211 Jade Diamond Award

Note:

Unlimited personalization available. Customize your layout for free.

Please note which elements in your artwork are variable changing data.

For order quantities of 25 and greater, please reference Norwood.com for data spreadsheet required for personalization.

Opaque or Translucent britePix® Imprint available - please specify when ordering.

- Opaque technique prints a white underlay behind your image or text. This underlay does not allow light to pass through the award.
- Translucent technique prints your image and text without a white underlay. This creates a transparent image.

Opaque is recommended for small text and light colored text

Please specify if white elements in the artwork are to print white or knocked-out

Please note, due to the green tint of Jade glass, colors may appear slightly altered

Due to the nature of awards, imprint areas may vary slightly
